WHAT IS ASSESSED:

- Cognitive abilities
- English language proficiency
- Personal/behavioral traits and competencies
- Knowledge about a pilot job and aviation industry, personal motivation

STUDY LOCATIONS

Due to the diverse locations in the training program, students will embark on various journeys. It ultimately serves as an invaluable opportunity to expand their horizons and get exposed to different regions, cultures, and aviation practices, enriching their training experience and broadening their perspectives.

FINANCIAL SUPPORT

- Funding of up to 100% of the course cost is available through several banks and NBFCs (Non-Banking Financial Companies).
- These loans are processed by the listed financial institutions based on the offer

letter or LOI (Letter of Intent) issued by BAA Training, which you can obtain upon passing the entry exam.

- The loans are subject to the terms and conditions of the respective financial institutions and their due diligence.

The financial institutions providing funding support include:
