Subject: **BAA Training (QAT-ATO-027) – MPL Training Provisional Approval**

Dear Sir,

We refer to your letter dated 12 January 2026 on the above-mentioned subject submitted through email.

A provisional approval was provided to BAA (QAT-ATO-027) for the MPL Ground Training to Qatar Airways cadet pilots on 13 April 2025. All required documentation pertaining to the MPL Training Course was submitted before and was found to be satisfactory and therefore acceptable. Additionally, an onsite audit was conducted at your premises with no findings raised.

QCAA is pleased to extend provisional approval to the MPL Training Course for all remaining phases of the MPL programme. BAA may proceed with Phase I – Core Flying training for the first MPL course, QR15. Additionally, this provisional approval extends to the AAN cadets inducted into BAA for the various phases of the MPL training. Kindly be informed that we will schedule onsite audits in due course to inspect all ATO locations and all MPL training phases.

Yours faithfully,

Abdulla Khashabi
Head of Personnel Licensing Section
Air Safety Department
